### Hooded design

The hooded structure can effectively resist wind and cold, especially in changing seasons. Provide practical head protection.

Whether it's light rain, dusty wind weather, or Off-street low-key sun protection, all provide additional shielding function.

### Zipper cardigan design

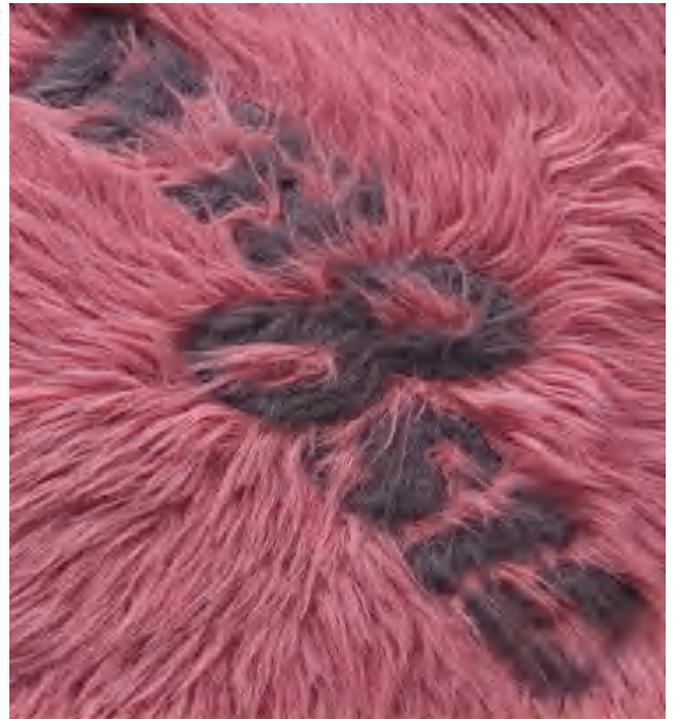

Full Pull: The whole is neat and unified, suitable for strong wind. Low temperature weather improves warmth retention. Half pull: displays the V-neck line and stretches the visual ratio. Create a casual sense of wear. Full Open: casual and unrestrained, easy to make layered modeling. More street trend atmosphere.
